

Partnership with Just-Tech

The Michigan Advocacy Program (MAP) and the Legal Services National Technology Assistance Project (LSNTAP) are excited to be working with Just-Tech to help advance the use of technology by legal aid programs across the country. Working closely with MAP/LSNTAP through the end of 2022, Just-Tech will be providing technical assistance, webinars, and technology-focused toolkits to help legal aid programs leverage technology to increase access to justice for disadvantaged communities.

[Just-Tech](#) is a mission-driven technology firm dedicated to advancing and supporting the use of technology by public interest, legal aid, and public defender organizations to increase access to and delivery of justice for disadvantaged communities across the United States.
