Join us on Thursday, April 27th at 4 pm EDT for an engaging session on Vendor Management with Josh Lazar. Josh is the founder and Chief Everything Officer of TechThinkTank. After a career spanning work in private practice, legal aid, and the trial courts, he recently jumped ship to focus on TechThinkTank full time. Among his many accomplishments, he is a recipient of the 2020 Info-Tech CIO Award.

During the webinar, you can expect to learn what vendor management is, why it is important, and what resources are available.
