Creating Tech Training for Staff

Join us to learn how to create tech training for staff. Guest speakers Ellen Samuel, Michael Hernandez, and Terry Lawson will discuss how to decide what training is needed, how to meet the learning style needs of staff, where to find resources, and more.

Please note that although the material will be focused on tech training, much of the material is applicable to creating any kind of training.

The webinar will be held on Zoom on June 1st at Noon EDT. Register using the link below.
