

Project Manager Office Hours

LSNTAP and Heidi Behnke of Georgia Legal Services Program are teaming up to hold Office Hours for project managers working within the legal aid space. Our first office hour will be held on August 13th from 1-2 pm EDT.

If you work as a project manager in the non-profit legal aid space, you are welcome to attend. This includes staff who may not be full time project managers but are responsible for things like Technology Initiative Grant (TIG) projects, case management system upgrades, and so much more. Also, this group is **not limited** to those managing technology projects.

This meeting will be an open forum to learn what the community needs, hear how LSNTAP can support project managers, and share resources.
