Iron Tech Lawyer App Competition

Iron Tech Lawyer unknown

Iron Tech Lawyer is a pitch competition to evaluate student-designed apps that promote access to justice and support pro bono legal services.

GEORGETOWN LAW | GEWIRZ 12 | RECEPTION TO FOLLOW

RSVP for the event at: <https://www.georgetowntech.org/rsvp>

The competition can also be streamed at irontechlawyer.com

The Iron Tech Lawyer competition is the culmination of Georgetown's Technology Innovation, and Access to Practice course, where students collaborate with pro bono organizations to create apps that bridge the justice gap.

Students compete before a panel of judges for prizes in Excellence in Design and Iron Tech Lawyer, the best all-around app.
