LAFLA Stay Housed LA Coalition - Data & Reporting Analyst

Are you interested in joining an organization dedicated to increasing access to justice while addressing systemic inequities among the most vulnerable members of the Greater Los Angeles area? If yes, LAFLA is the place for you! LAFLA is a nonprofit law firm that protects and advances the rights of the most underserved — leveling the playing field and ensuring that everyone can have access to the justice system. With more than 90 years of service, LAFLA is the first and most experienced legal aid organization in Greater Los Angeles. LAFLA is part of the Stay Housed LA Coalition which is comprised of dozens of legal services organizations and tenant organizing community-based organizations.

BA/BS degree and a minimum of 1 year of experience with data collection and analysis using Microsoft Excel, Tableau Prep Builder, and Tableau Dashboards; experience working with JSON, REST APIs, and either Python or R strongly preferred.

Please submit a cover letter and resume online to jobs@lafla.org. Include “Data Analyst – Stay Housed LA” in the subject line. Deadline is continuous until position is filled.
