Civil Justice - Coordinated Intake Project Manager, Coordinator

Civil Justice, together with the United Way of Central Maryland and A2J Tech, will be working on a coordinated intake system for the Access to Counsel in Evictions initiative in Maryland. The platform will include phone and tech components to route tenants in need of representation to appropriate legal services organizations.

Civil Justice is hiring a Program Manager and Coordinator for this 3-year program. If you like working at the intersection of justice and technology this could be for you!

Position descriptions are available [here](#)!
